

SEVENOAKS TRACK 1 MILE RACE – 5 Aug 21

On the wettest evening we have had for this event we witnessed some keenly fought racing last night. The first race produced the closest finish with Jamie Philip and Johnny Mead neck and neck to the line with Jamie's time just outside the top 4 M40 times posted by SAC runners. The race for 3rd place between Andy Ashlee and Nick H-T was also just as keenly contested.

In the second race Bridgit Weekes produced the best age graded performance of the evening based on the WMA performance scores and also the second best W60 time for an SAC athlete. Sylvia Lewis also produced the best W65 time for the club.

Thanks to Duncan and Pauline for their help with the results recording in such poor weather conditions.
